## WHAT IS IT?

Practical Spiritual Astrology is grounded in the understanding that our aim as consciously evolving humans is not only to remember and reclaim our essential divine nature, but also to manifest that spiritual essence more dynamically and more abundantly in the material world. The sacred knowledge of the heavenly intelligences and their cosmic cycles can guide us infallibly into spontaneous right action and joyful, fulfilled expression of our true selves.

Practical Spiritual Astrology thus brings us daily opportunities for being completely spiritually centered in a consistently resourceful manner that brings out the best qualities in our circumstances, that is completely congruent with our true creative nature, and that is genuinely helpful to others in a multitude of pragmatic, life-affirming ways.

**"What we are looking for is what is looking."**

*- St. Francis of Assisi*

## THE FOCUS FOR MARCH

We are here to turn thought into action, are we not? As individual embodiments of the divine plan, we are duly and fully certified to act spontaneously in ways that are consistent with the inexorable progress of the spiritual impulse, in our own lives and in the life of the world around us. That inspiration can reach its highest levels of refinement when we transmute our passions into ever more radiant visions of the infinite possibilities that are always at our fingertips, summoning us to suspend our judgmental tendencies and become childlike in the way we embrace our full potential as agents of the greatest good.

But what do we fear? Our emotions can seem overwhelming at times, especially if we fail to remember the infinite power for divine transformation that perpetually guides our progress along the evolutionary path. As we share our spiritual growth with others, we are not in a state of competition, but rather one of cooperation, mutual growth, and shared celebration of ever more rewarding accomplishments. When one of us succeeds in bringing greater grace into our individual awareness, the entire human race benefits. When humanity makes greater strides forward, our personal path is enriched as well.

At an intuitive level we may feel drawn into the consciousness of the crowd, whether we choose to participate in fear and consternation or decide instead to reach for hope and more enlivened visions of positive possibilities. Ironically, however, it is only when we turn within and confront our own individual responsibility to create tangible results that we truly begin to open ourselves to the kind of higher guidance that can move us toward more highly energized expressions of our most profound spiritual powers.

With a sudden flash of inspiration we may intuitively discover that we have found the answer to the age-old question: how can we best integrate the strength and beauty of our spiritual vision with the pragmatic requirements of life on the material plane? Ultimately we may come to realize that instead of casting about around us looking for solutions, we need only turn within—each of us is a microcosm and a macrocosm, experiencing and expressing spiritual realities in a way that is inevitably and elegantly anchored in our own physical form.

## The Spiritual Side of Financial Manifestation

True enlightenment—and true prosperity—means being able to function effortlessly in the material world while maintaining a spiritual focus. It’s a state of flow that brings rich blessings to you while your actions and attitudes simultaneously bless everyone you meet. But how do you do that when you’re out of money?

In answering that question, Stuart Lichtman, the developer of Cybernetic Transposition, has joined forces with “Attractor Factor” author Joe Vitale to create a massive ebook called “How To Get Lots of Money for Anything—Fast!” While it’s a wonderful resource for wealth creation, the techniques that Lichtman and Vitale reveal can also be used to improve health and spiritual well-being, increase success, strengthen relationships, lose weight (Lichtman says he lost 21 pounds in 21 days), and much more. You’ll find complete information on this amazing book at <http://www.anything-fast.com/?fid=astro> It’s guaranteed to change your life!
